## *about our studio*

You may be wondering how anyone can afford a photographer during this current economic downfall? Plenty of photographers are offering cheap prices these days, but are you willing to compromise quality where your most precious memories are concerned?

We are a refreshing surprise to your budget, offering everything from maternity and family portraits to business card photos, high school senior portraits and of course weddings and engagements too-all right at your fingertips.

## *why hire us ?*

Don't be discouraged by inflated prices or settle inferior quality photography when Shades of Life can deliver a lifetime of memories with affordable pricing to compliment them.

We will meet your scheduling and pricing needs with surprising ease because we come to you, studio and all. Give us a call and you'll notice something right away; we listen.
